Website Designed By Webtivity Design Solutions Wins Another Award

Bradenton, FL – Port Manatee's website, www.portmanatee.com, designed and developed by Webtivity Design Solutions was honored with an Award of Merit from the American Association of Port Authorities. AAPA's Annual Communications Awards have recognized excellence in port communications since 1966. The AAPA represents 160 of the leading public port authorities in the United States, Canada, Latin America and the Caribbean. In addition, the Association represents 335 members with an interest in the seaports of the Western Hemisphere. "To be recognized as one of the best websites out of all of the port authorities and seaports represented by AAPA is a great honor for the Port and Webtivity" said Webtivity Design Solutions President/CEO, Terry Thompson.

About Port Manatee

Located on Tampa Bay, Port Manatee is one of Florida's largest ports and it is the closest U.S. deepwater seaport to the Panama Canal. This booming Gulf Coast gateway of international trade is unique and offers distinct advantages – superior intermodal connectivity, competitive rates and a prime location with nearly 5,000 acres of surrounding green space ripe for development.
